

2022 is the Beginning of Anything You Want

Ladies OFFROAD NETWORK 2022 PLANNER

Ladies Offroad Network has been an ever evolving International Program focused on Education and Networking for Offroad Ladies. We are lucky to have the chance to provide hands-on programs, online programs and daily options for you to learn and meet other amazing ladies. We want you to take advantage of all the opportunities to learn and network, but realize time is of the essence. Just remember one of my mottos: Never let an opportunity pass you by!

This is our 3rd Planner. The first one happened during 2020 where all we did was cross out event dates. UGH! We used this adjustable format for 2021 and it worked awesome. You have access to monthly updated pdf's on our website. The opportunities listed are what Ladies Offroad Network will be building, hosting or participating in so you can join us!

New for 2022 is the fun coloring portion. Print as many as you would like for you, and all the kids in your zone, to enjoy. We do want to see the final products! Post them to our social media or in our chats ~ whatever is easiest for you.

What isn't on the calendar is just as interesting. These are the big dates, then keep up with us during our weekly LIVE@5's to understand what other opportunities are coming up for you to jump on. We are always trying to create as much opportunity for you as possible. Trust me, I never stop dreaming of ways to hang out with you!

Please always refer to our website: www.LadiesOffroadNetwork.com for details and most up to date information.

Goals! Goals! Goals! We all have them, but then there is that whole process of actually having to do something to obtain them. Goals can be big. Goals can be small. A series of small goals add up to the opportunity to check off a big goal. Goals can be in all areas of our life...and specific for us in our offroading world too. Use this calendar to track yours!

I sincerely look forward to seeing you in 2022. We have a lot of options for Skills Camps and I'm bringing the Trail Training class to you again! We also have some big online learning opportunities every week and month. Whether it is online or in person ~ we WILL have fun learning! Take advantage of your membership!

What are you committed to in 2022???

We Got This!! Thank you ~
